No plea of ignorance by the bidder of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the bidder to make necessary examinations and investigations will be accepted on a basis for varying the requirements of the District or the compensation of the bidder.

2.12 Contract Termination

A. Bidder's Unacceptable Performance. If the successful bidder fails to perform services in conformity with this Invitation to Bid, the District shall notify him in writing. B. Early Termination. The District may, in its sole option, terminate the **Landfill Service** contract prior to the expiration date. In such an event, the District shall notify the successful bidder in writing. District shall likewise state the reason(s) for termination. If early termination occurs for the District's convenience and the successful bidder is in compliance with all of the terms and conditions of the contract, the District will not hold said bidder to be in material default.

C. District's Action Following Contract Termination. If the contract is terminated, the District may, at its sole option:

- * request new **Landfill Service Contract** bids or
- * designate the next-low bidder to perform the **Landfill Service Contract**, provided that said next-low bidder agrees to his original bid terms.

The District may repeat this option until it obtains an acceptable **Landfill Service** contract.

The successful bidder shall ship all material as follows: F.O.B. Rock River Water Reclamation District, 3333 Kishwaukee Street, Rockford, Illinois, 61109, freight paid by seller. All deliveries shall conform to the requirements stated in this Invitation to Bid.

In the unlikely event that the District is picketed by its employees or by a third party, or if any labor-management dispute between the District and its employees or third parties becomes known to the successful bidder, then in such event and during the course of any such picketing or labor-management dispute, the successful bidder shall continue to carry out the terms and conditions of this contract as if such pickets were not present or such labor-management dispute did not exist.

In the event you elect not to bid, please fill out and return the attached "No Bid" form.

2.15 Indemnification Clause

Successful respondent/contractor shall protect, indemnify, hold and save harmless and defend the District, its officers, officials, employees, volunteers, and agents against any and all claims, costs, causes, actions and expenses, including but not limited to attorney's fees incurred by reason of a lawsuit or claim for compensation arising in favor of any person, including the employees, officers, independent contractors, or subcontractors of the successful respondent/ contractor or District, on account of personal injuries or death, or damages to property occurring, growing out of, incident to, or resulting directly or indirectly from the performance by the successful respondent/contractor or subcontractor, whether such loss, damage, injury, or liability is contributed to by the negligence of the

District or by premises themselves or any equipment thereon whether latent or patent, or from other causes whatsoever, except that the successful respondent/contractor shall have no liability for damages or the costs incident thereto caused by the sole negligence of the District.

The indemnification shall not be limited by a limitation on amount or type of damages payable by or for the successful respondent/contractor or its subcontractor under any employee benefits act including, but not limited, to the Workers' Compensation Act.

No inspection by the District, its employees, or agents shall be deemed a waiver by the District of full compliance with the requirements of the Contract. This indemnification shall not be limited by the required minimum insurance coverage in the Contract.

2.16 Force Majeure

The obligations of either the District or the successful bidder shall be suspended during the time as such party is prevented from complying therewith in whole or in part because of any cause, except financial, beyond the reasonable control of such party. In the event of either the District or the successful bidder being rendered unable wholly or in part by force majeure to carry out its obligations under the **Landfill Service** contract, other than to make payments due, it is agreed that on such party giving notice and full particulars of such force majeure in writing to the other party as soon as possible after the occurrence of the cause relied on, then the obligations of the parties insofar as they are affected by such force majeure shall be suspended during the continuance of any inability so caused but for no longer period, and such cause shall as far as possible be remedied with all reasonable dispatch.

2.17 Insurance

A. The successful respondent/contractor shall, for the duration of the contract, maintain the following:

General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project or the general aggregate limit shall be twice the required occurrence limit.

Auto Liability: \$1,000,000 combined single limit per accident for bodily injury and property damage including coverages for owned, hired or non-owned vehicles, as applicable.

Workers' Compensation and Employers' Liability: Workers' Compensation limits as required by statute and Employers' Liability limits of \$500,000 per accident and \$500,000 per disease.

Umbrella: \$2,000,000 per occurrence/aggregate.

The policies shall contain, or be endorsed to afford Contractual Liability coverages for the following provisions in the General Liability and Automobile Liability coverages:

1. The District, its officers, officials, employees, and volunteers shall be covered as additional insureds as respects liability arising out of activities performed by or on insured's general supervision of the successful respondent/contractor, products and completed operations of the successful respondent/contractor, premises owned, occupied or used by the successful respondent/contractor, or automobiles owned, leased, hired, or borrowed by the successful respondent/contractor. The coverage shall contain no special limitations on the scope of protection afforded to the District, its officers, officials, employees, volunteers, or agents.

2. The successful respondent's/contractor's insurance coverage shall be primary insurance as respects the District, its officers, officials, employees, volunteers, and agents. Any insurance or self-insurance maintained by the District, its officers, officials, employees, volunteers, or agents shall be in excess of the successful respondent's/contractor's insurance and shall not contribute with it.

3. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the District, its officers, officials, employees, volunteers, or agents.

The successful respondent's/contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

B. Proof of Insurance – Certificate of Insurance. No more than 10 calendar days subsequent to the District's issuance of an award letter and no later than 30 days before commencement to work, the successful respondent/contractor shall provide documentation including a Certificate of Insurance to prove that it has obtained all required insurance and bonds. The District shall be the sole judge as to the acceptability of any such proof.

C. Correction of Successful Bidder's Insurance Deficiencies. If the District determines that the successful bidder's insurance or documentation does not conform to these specifications, the District shall inform said bidder of the non-conformity. If said bidder fails to provide conforming insurance or documentation within five calendar days of the District's notice, he shall be in default.

D. Best's Ratings.

1. Alphabetical Rating. a) If Best classifies the insurer XII or larger, said insurer shall be acceptable to the District.

b) If Best classifies the insurer as smaller than XII, but larger than VI, said insurer shall be submitted to the District's Director of Management

Services and/or the District's insurance consultant for review.

Financial Size ratings less than VII are not acceptable and will disqualify the respondent/contractor.

E. Suitability of Insurance. The District shall be the sole judge of whether an insurer's rating is satisfactory. The District's decision shall be final and the District's bidding procedures contain no appeal provision.

2.18 Responsive/Responsible Bidder

3.1 Purpose

This Section contains a detailed description so that qualified bidders may submit formal **Landfill Service** bids.

The District operates a wastewater treatment facility, which includes primary wastewater treatment, secondary wastewater treatment and anaerobic digestion for biosolids treatment. Waste materials collected from primary screening, and grit are dewatered and disposed of directly to a landfill. These waste materials may include but are not limited to rags, plastic products, grit, and other inorganic solids. All the solids mentioned above are certified non-hazardous by the RCRA TCLP test. The District is requesting a bid for **Landfill Service** on a cost per ton basis of the above noted waste solids and general refuse.

3.2 Minimum Requirements

A. Contract Duration. The successful bidder shall provide the District's **Landfill Service** for a term of 36 months, commencing on May 1, 2021 and continuing through April 30, 2024. The successful bidder shall provide 100% of the District's **Landfill Service** between May 1, 2021 and April 30, 2024. The current monthly average for the waste materials is approximately 35 tons per month. The general refuse monthly amount varies and may be anywhere from 20 to 100 tons per month.

The District provides the above tabulation for bidder's reference only and makes **absolutely no warranty** as to the actual quantity of refuse the District will need to dispose in the 36-month contract term between May 1, 2021, and April 30, 2024. The successful bidder's prices shall remain unchanged regardless of fluctuations in the actual quantity of refuse.
