

**FOUR RIVERS SANITATION AUTHORITY
ADDENDUM NO. 2
ITB #24-210
LANDFILL SERVICES**

March 28, 2024

AD2-1 Notice

This Addendum No. 2, dated March 28, 2024, to the Invitation to Bid, Landfill Services supersedes all contrary and conflicting information in the above-mentioned instructions, specifications, and contract documents which are hereby supplemented or revised in certain particulars as follows:

AD2-2 General Information

The Authority submits Addendum No. 2 to add wording to Section III, 3.1 Scope & Intent.

Section III, 3.1 Scope & Intent:

The Authority operates a wastewater treatment facility, which includes primary wastewater treatment, secondary wastewater treatment and anaerobic digestion for biosolids treatment. Waste materials collected from primary screening, and grit are dewatered and disposed of directly to a landfill using Authority owned and operated vehicles. These waste materials may include but are not limited to rags, plastic products, grit, and other inorganic solids. All the solids mentioned above are certified non-hazardous by the RCRA TCLP test. This bid does not include disposal of mattresses, tires, hazardous waste, special waste, or asbestos. Any special waste will be profiled separately from this agreement, and only garbage will be disposed of under this agreement. The Authority is requesting a bid for Landfill Services on a cost per ton basis of the above noted waste solids and general refuse.

Bidder shall initial this Addendum No. 2 and include it with their bid.
