AD2-3 Question & Answer

Question: Page 7 section 2.8 required documents #1 states that "proof of required insurance (COI, ADDITIONAL INSURED ENDORSEMENTS)" are required with proposal.

Page 20 Section B. Proof of Insurance states "Certificate of Insurance and Additional Insured Endorsements. No more than ten (10) calendar days subsequent to the Authority's issuance of an award letter and no later than thirty (30) days before commencement to work, the successful respondent/contractor must provide documentation including a Certificate of Insurance and additional insured endorsements for commercial general liability and auto liability to prove that it has obtained all required insurance and bonds. The Certificate of Insurance must state Four Rivers Sanitation Authority is additional insured under the commercial general liability and automobile liability on a primary, non contributory basis. The primary, non-contributory additional insured endorsements for commercial general liability and automobile liability must be provided. The Authority is the sole judge as to the acceptability of any such proof"

Is "proof of required insurance (COI and additional insured endorsements)" required with the proposal or after award to the successful bidder?

Answer: Proof of required insurance policies and limits listed on a COI is required with the proposal. An updated COI with the additional insured endorsements is required after award and prior to start of work.
