The Authority submits Addendum No. 1 to answer a question.

AD1-3 Question and Answer

Question: In Section 3 – Main Body of Response, the requirements state to “include a complete copy (all pages and content) of this RFP document and Specifications document with all sections completed. A complete, point-by-point response is required; incomplete documents may be deemed unresponsive and therefore eliminated from consideration.” Will you please clarify where the “Specifications document” is as I cannot find it in the solicitation.

Answer:

There is no separate “Specifications document”. The RFP #24-219 Land Appraisal document is one document inclusive of the general specifications, detailed specifications, and all forms required to be completed and submitted with proposals.

Proposer shall initial this Addendum No. 1 and include it with their proposal.
