

**FOUR RIVERS SANITATION AUTHORITY
ADDENDUM NO. 1
ITB #24-220
Generator Preventative Maintenance**

October 17, 2024

AD1-1 Notice

This Addendum No. 1, dated October 17, 2024, to the Invitation to Bid: **Generator Preventative Maintenance** supersedes all contrary and conflicting information in the above-mentioned instructions, specifications, and contract documents which are hereby supplemented or revised in certain particulars as follows:

AD1-2 General Information

The Authority submits Addendum No. 1 to make a clarification and answer questions.

AD1-3 Clarification

There is no mandatory meeting for this bid. The document titled "FRSA ITB #24-220 Generator Preventative Maintenance Remote Meeting Information" is instructions for attending the bid opening remotely if desired.

AD1-4 Questions & Answers

Question 1: Can you please provide serial numbers for the units? If serial numbers can't be provided, will a site visit be allowed to get the unit information off the units?

Question 2: Is there any way to get more information about the generators you have included in the bid? We were looking for engine information. Make of the engine, serial numbers for generator and engine, and whether the unit is diesel or natural gas.

Answer to questions 1 & 2: See the attached list of generators with generator serial numbers, make of the engines, and if the unit is diesel or natural gas powered. Engine serial numbers are not available. Site visits can be scheduled.

Bidder shall initial this Addendum No. 1 and include it with their proposal.
