The obligations of either the Authority or the successful respondent are suspended during the time as such party is prevented from complying therewith in whole or in part because of any cause, except financial, beyond the reasonable control of such party. In the event of either the Authority or the successful respondent being rendered unable wholly or in part by force majeure to carry out its obligations other than to make payments due, it is

agreed that on such party giving notice and full particulars of such force majeure in writing or by facsimile to the other party as soon as possible after the occurrence of the cause relied on, then the obligations of the parties insofar as they are affected by such force majeure are suspended during the continuance of any inability so caused but for no longer period, and such cause must as far as possible be remedied with all reasonable dispatch.

Prices shall remain unchanged during contract extension periods and no other contract term, condition, specification, nor requirement shall be altered in any way by a contract extension agreement.

The services provided under this contract are non-exclusive to the Contractor. The Authority, in its sole discretion, shall determine what work will be assigned to the Contractor. Furthermore, as described in Section II, 2.19 of the Request for Proposal, the quantity of work to be assigned to the Contractor is an estimate only. The contractor's proposed unit prices for **Physical Security Services**, in conformity with all specifications, shall be the only basis of payment over the duration of the contract.

The Contractor fully understands and agrees that their proposal price will be the only basis for payment for the contract's duration, and that in the absence of changes to which the Authority and Contractor agree because of revisions to the scope of the **Physical Security Services**, this contract allows for no price increases.

The Authority will make payments to the Contractor, in accordance with and subject to the provisions of Section 4 of this Contract.

3. Contract Execution

The Contractor must:

- A. Perform all services in a responsible manner, supplying only service, materials, or equipment that meets or exceeds the Authority's specifications detailed in the Request for Proposals;

If the Contractor defaults, the Authority may procure **Physical Security Services** described in the Request for Proposals, from other sources. In such an event, the price the Authority pays constitutes the prevailing market price at the time of such purchase and the defaulting Contractor must pay the Authority the difference between their proposal price and the prevailing market price. The defaulting Contractor must make such payment no more than 60 calendar-days after the Authority notifies them, in writing, of such an occurrence.

4. Timing of Payments to Contractor

If the Authority receives an acceptable invoice for a conforming service prior to the fifth day of a given month, the Authority will issue payment before the fifth day of the succeeding month. If received on or after the fifth day of a particular month, payment will be issued the following month.
